Promotion Rules:

- Cash Drops prize values are displayed in-game, via the promotion panel.
- To be eligible for a prize, the minimum bet should be 0.5 EUR (or higher) or in its equivalent in other currencies.
- Prizes can be triggered by a 'qualified' paid spin.
- Prizes won will be credited to the winning players' accounts automatically.
- A Cash Drops prize cannot be tied to more than one triggering wager.
- It is not possible that more than one game round can claim the same Cash Drops prize.
- For each spin, a proportion of the player's total bet is contributed towards the overall prize pool. In other words, 1-3% of the game RTP is used to fund the Cash Drop prizes.
- The Operator reserves the right to not pay out a Cash Drops prize where the win results from any error, mistake or technical fault whether caused by a machine or human error in respect of any of the eligible promotion games. The Operator further reserves the right to not pay out a prize where, in our opinion, the win results from fraudulent play, promotion abuse or collusion with other players. Wins will be verified by Kalamba and The Operator whose decision is final.
- **Note:** Weekly prize amounts will/may change at the discretion of Kalamba Games.
- **Note:** New games can/will be added by Kalamba Games to the campaign at their discretion throughout the duration of the campaign.

The Operator's General Terms & Conditions apply. Kalamba and/or The Operator reserve the right to amend, suspend or cancel the promotion at any time with or without prior notice.

Only bets placed with real money are eligible.

In case of disconnection or general technical problems, all spins concerned will be cancelled and may not be included in the promotion for evaluation purposes.

If Circus suspects or observes a player abusing the promotion, Circus reserves the right to disqualify this player from the promotion.

The general terms and conditions of Circus.be are applicable for this promotion at all times.

Circus.be reserves the right to withdraw this promotion at any time.
