G. The running of the Competition

1. Participation in the Competition as it is

Participation in the Competition is exclusively carried out in person in the Circus Casino gaming halls by:

- 1) Completing the Competition form with all the requested information, correctly answering the question and placing the form in the box provided or handing it to a member of the Circus gaming hall staff. Any non-conforming competition forms (illegible, crossed out, incomplete, ripped,

photocopied or another fraudulent act) will automatically invalidate the participation of the player concerned.

- 2) Trying a combination of numbers on the safe's lock in the Circus Casino gaming hall.

The Competition will take place as follows:

The Competition will start on 8/11/2021 and finish on 28/11/2021 if the code for the safe of the last week of the Competition is worked out and therefore allows the safe to be opened. If the code isn't found, the Competition will end once the safe has been opened and at the latest on 31/12/2021.

Clues will be communicated to participants every Monday during the game, on the social media site Facebook, so participants can find out what they are and try to find the combination of numbers that will open the lock.

There will be 3 prizes per Circus gaming hall for the duration of the Competition (08/11/2021 to 28/11/2021). On 31/12/2021, any unopened safes will be withdrawn from the gaming hall and potential prizes canceled.

Only one form will be given out to participants per day (one form per day, per participant, per gaming hall). Any multiple participations (several tries in the same gaming hall on the same day) will automatically invalidate the participation of the player concerned.

2. Determining a winner(s) and attributing prizes

The prizes will be attributed to the participant once they have correctly completed the competition form, correctly answered the question on the form given to participants and finally, worked out the combination of numbers that opens the safe's lock.

The prizes consist of the sum of 400 euros in cash within the safe. Every week, 400 euros in cash will be added to the base prize. If the safe isn't opened in the first week, 400 euros will be added to the prize for the second week and so on and so forth, that is to say up to a maximum of 1,200 euros per gaming hall to win.

The decorative gold bars are not part of the prize to be won in this Competition.

H. Terms of notification of the winner and withdrawal of prize

After the Competition form has been verified by the gaming hall staff, the winner can collect the prize directly in the gaming hall after opening the safe.
