Spinoleague - Spinomenal 29/02/2024 00:01 – 26/02/2024 23:59.

Max Prize Pool for all seasons : €10,000,000

## How to win :

Each win will reward the player with a certain amount of points, based on the following formula: amount won / amount wagered (for example, if you wagered 1 EUR and won 10 EUR, you will be rewarded with 10 points). The more points a player collects, the higher the player's position is on the tournament leaderboard, which shall include all players from the platforms participating in each tournament (the "Leaderboard"). The number of winning players sharing the prize pool in each round shall be specified in the tournament tool.

- ✓ The SpinoLeague is divided into four 'seasons', and each season includes 4 tournaments for a total of 16 separate tournaments throughout the SpinoLeague, with each tournament comprising of several rounds and one final "Super Round".
- ✓ During Super Rounds, each point earned by the player will be multiplied by 2.
- ✓ 10% of the players' score during each round of a tournament will be collected as credit and shall be added to the players' Super Round score of that tournament.
- ✓ Each player's rank in the Leaderboard for each round will appear once they reach the qualifying score, which is displayed on the tournament tool. At the end of each round , the Leaderboard will reset.
- ✓ Players will have the possibility to multiply their share of the prize pool by ten (10X) by reaching the score threshold detailed in the tournament tool which is set for each round in each of the various tournaments throughout the SpinoLeague.
- ✓ Every round of each tournament (including the Super Round) offers its own prize pool, with an aggregate max prize pool of 10,000,000 EUR throughout the entire SpinoLeague, as further described in these Terms.
- ✓ The SpinoLeague tournaments are available during real-money play only.
- ✓ Minimum qualifying bet per spin to participate in each of the tournaments is 0.2 EUR ("Minimum Qualifying Bet"). If the Minimum Qualifying Bet is not available on one of the participating games, the closest higher bet amount possible shall constitute as the Minimum Qualifying Bet for that game.
- ✓ No additional deposits or costs by players are required to participate in the SpinoLeague.
- ✓ If two or more players have the same number of points at the end of each round, the player who reached the points first will be ranked higher.

- ✓ The rules, terms, and conditions of the Spinoleague are subject to all applicable laws and can be changed at any time upon prior written notice to players participating in the Spinoleague. Players' continued participation in the Spinoleague following such notice shall constitute as acceptance of such changes.
- ✓ Spinomenal reserves the right to amend or suspend the Spinoleague or any one of the individual tournaments at any time for an indefinite period of time. Any such amendment or suspension shall not affect players that have opted-in, unless the amendment or suspension is required to manage/prevent fraud or other unlawful behavior.
- ✓ If Spinomenal decides to cancel any of the individuals' tournaments included in the Spinoleague, then the status of the Leaderboard on the date of cancelation of the tournament shall determine the winners of that tournament.
